The HBA of Fayetteville's 7th Annual Casino Night will benefit Cumberland Interfaith Hospitality Network. This local non-profit was selected by the Casino Night committee through a grant application process. The Mission of Cumberland Interfaith Hospitality network is to serve as an advocate of the elimination of homelessness, to encourage those in need towards self-sufficiency and to educate the public concerning the extent of homelessness and the means of overcoming it.

The mission of the Home Builders Association of Fayetteville is to serve, advocate, and promote the local building and development industries while fostering unity between members, government, and the community.
